## Woodland Lodge Pop-up Spa Menu

*From January to Mid March 2025 we have the pleasure of moving our little spa down to the woodland lodge mid week (weekends will remain in our home at the spa). Nestled amongst the trees and with beautiful vistas of the rolling hills, it truly is a perfect place to rediscover your calm, restore your peace and take some time away from our busy world.*

*Our mini menu below is designed exclusively for you to enjoy these treatments in the lodge. Build your own package and add a couple of rituals together for a more restoring experience. Time for only one treatment; that's ok, it's important to take time out - even if just for a moment.*
